Welcome to 3800 W Wilson St #225, nestled in the peaceful Mountain Springs Park, a highly sought-after 55+ community in Banning. Set against the backdrop of the San Gorgonio and San Jacinto mountain ranges, this beautifully updated 2-bedroom, 2-bath manufactured home offers 1,440 square feet of comfortable, move-in-ready living. The kitchen has been fully refreshed with white shaker cabinets, quartz countertops, a tile backsplash, and stainless steel appliances including a gas range with wall-mounted hood, dishwasher, and French door refrigerator. A walk-in pantry adds everyday practicality that is hard to find. The living area is bright and welcoming, anchored by a dramatic arched picture window that floods the space with natural light and frames the mountain views just outside. Both bathrooms have been updated, and the primary suite features an expanded walk-in shower. A bonus patio room currently used as additional sleeping space offers flexibility for a home office, hobby room, or guest retreat. The attached two-car garage provides direct access and generous storage. Major systems have been taken care of with a new AC and furnace, and fresh paint throughout gives the home a clean, updated feel from the moment you walk in. Residents of Mountain Springs Park enjoy acres of lush landscaping, mature shade trees, a stream and pond, and picnic and barbecue areas - all within five miles of outlet shopping.
